Waibel, M. & H. Hilbert (eds.) (2014) TP. Hồ Chí Minh: MEGA City Photobook. Times Publishing House, HCMC, 300 pages.

Excerpt from greeting of the Director of Goethe Institute Vietnam, Dr. Almuth Meyer-Zollitsch:

Welcome to Ho Chi Minh City, the vibrant economic metropolis and biggest city of Vietnam, which recently emerged as the country's first mega city. This book invites the reader on a journey through the familiar and lesser-known aspects of this fascinating city to witness its vibrancy and dynamism. Allow yourself to be taken by the endless stream of traffic, which while chaotic, barrels forward, just like the city of Ho Chi Minh itself.
