Excerpt from greeting of the Director of Goethe-Institut Vietnam, Dr. Almuth Meyer-Zollitsch:

Hanoi, city of the rising dragon, has a history stretching back for a thousand years. All significant turning points in Vietnam's history have left their mark on the city. We invite you to go on fascinating excursions through Hanoi that will show you the city from a variety of perspectives - from bird's eye views to portraits of its inhabitants. The picture of the city of Hanoi is multi-faceted and pulsing with vibrant energy - and on the move into the next thousand years.
