Myanmar

Auch zu Myanmar bietet das Internet reichlich Informationen. Wichtige Informationen zu Verhaltensregeln oder gefährlichen Regionen findet man auf der Seite des Auswärtigen Amts (http://www.auswaertiges-amt.de/5_laende/Mym/). Outdoor- oder Trekking-Freunde werden bei <http://www.burma.de/>, <http://www.asiatour.com/myanmar/inhalt1.htm> und <http://www.myanmarreisen.com/> fündig. Die Seite <http://www.myanmars.net/> bietet Infos zu Landschaft, Kultur und Geschichte. Wenn das Klosterleben schon immer fasziniert hat, sollte sich diese Seite einmal ansehen <http://www.nandawon.demon.co.uk/>. Luxusverwöhnte Touristen interessiert eher die Seite des Pansea-Hotel in Yangon (<http://www.pansea.com/yangoon.htm>). Einen ersten optischen Vorgeschmack was das Land alles an Interessantem zu bieten hat findet man unter <http://www.falax.de/index.htm> und <http://www.impuls-design.de/matweb/reisefot/myanmar/>.

MIGRATION DIALOGUE - MIGRATION NEWS

Migration Dialogue promotes an informed discussion of the issues associated with international migration by providing unbiased and timely information on immigration and integration issues. The four Migration Dialogue activities are: the newsletters Migration News and Rural Migration News, the work of University of California researchers, and seminars for European and American opinion leaders.

Migration News summarizes the most important immigration and integration developments of the preceding month. Topics are grouped by region: North America, Europe, Asia and Other. There are two versions of Migration News. The paper edition is about 8.000 words in length, and the email version about 15.000. The purpose of Migration News is to provide a monthly summary of recent immigration developments that can be read in 60 minutes or less. Many issues also contain summaries and reviews of recent research publications. Distribution is by email. If you wish to subscribe, send you email adress to: Migration News [migrant@primal.ucdavis.edu]. There is no charge for an email subscription to Migration News. Current and back issues may be accessed via internet on the Migration News Home Page <http://migration.ucdavis.ed>]. Editor: Philip Martin, Department of Agricultural Economics, University of California, Davis.
